PRIMEHEALTH
WHERE CARE COMES TOGETHER

Join a Mission-Driven Team.

Make a Real Difference.

Family Medicine Physician

Grand Junction, Colorado

Join PrimeHealth+, a Federally Qualified Community Health Center on Colorado's Western Slope. We're seeking a Family Medicine Physician who values team-based, integrated care and wants to improve the health of our community - one patient at a time.

COMPETITIVE SALARY

$216,014-$263,848

Based on experience

MORE THAN A JOB - IT'S A MISSION

Care for all. Strengthen our community.

POSITION HIGHLIGHTS

- **Full-time, in-person**
- **Four-day workweek** with 15-17 patients per day (4x10s); alternate schedules available
- **No-call.** Outpatient care only.
- **Integration with Behavioral Health** providers on each clinic pod
- **Robust team-based clinic team** including MAs, RNs, patient navigators, and case managers
- **On-site pharmacy, dental services, and psychiatry services**
- **Active Quality program** with outstanding results
- **Broad scope of practice** including wellness visits, chronic disease management, and opportunities for in-office procedures based on your interests
- **Collaborative practice** including APPs and physicians, with weekly Lunch & Learns

COMPENSATION & BENEFITS

- **Competitive base salary** based on experience
- **Sign-on bonus**
- **Paid malpractice coverage**
- **Guaranteed CME stipend and 40-hour CME allowance per year**
- **401(k) match and safe harbor contribution**
- **Generous PTO accrual** with additional holiday pay and sick-leave allowance
- **Federal and state loan repayment options**

ABOUT PRIMEHEALTH+

We operate two integrated primary care clinics and two school-based health centers in Grand Junction. Our mission-focused background includes a long history of providing outreach healthcare services to migrant farm workers and people experiencing homelessness. We welcome patients with Medicaid, Medicare, Medicare Advantage, commercial insurance, and those who are uninsured or underinsured. A Sliding Fee Discount Scale is available to eligible patients.
